## INTRAVENOUS ANESTHESIA SEDATION

### BEFORE INTRAVENOUS ANESTHESIA SEDATION

- You may not have anything to eat or drink for six (6) hours prior to the appointment. A small amount of water is permissible for purposes of taking medications. Please consult with the provider about specific concerns.
- Do not smoke at least 12 hours before surgery. Ideally reduction or smoking cessation is advised prior to the day of surgery.
- A responsible adult must accompany the patient to the office, remain in the office during the procedure, and drive the patient home.
- The patient should not drive a vehicle or operate any machinery for 24 hours following the anesthesia experience.
- Please wear loose fitting clothing with sleeves which can be rolled up past the elbow, and low-heeled shoes.
- Contact lenses, jewelry, and dentures must be removed at the time of surgery.
- Do not wear lipstick, excessive makeup, or nail polish on the day of surgery.
- If you have an illness such as a cold, sore throat, stomach or bowel upset, please notify the office.
- If you take routine oral medications, please check with Dr. Davis prior to your surgical date for instructions.
